Top 50 Authorized Distributor of North America

ABOUT NASCO

For more than 25 years, NASCO Aerospace and Electronics has been a trusted authorized distributor supporting the aerospace, defense, government and commercial markets. With access to more than 1,500 authorized manufacturer lines, NASCO provides critical aerospace hardware, electronic components and supply-chain solutions backed by manufacturer traceability, rigorous quality standards and exceptional customer service.

As a DLA-qualified supplier and testing distributor (QSLD/QTSL), HUBZone-certified company, and AS9120/ISO 9001 certified distributor, NASCO delivers the quality, authenticity and responsiveness required for mission-critical applications.

CORE CAPABILITIES

AEROSPACE STRUCTURAL FASTENERS
Cherry® Aerospace, Rivets, Hi-Lok®, Hi-Lite®, Lockbolts, Jo-Bolts®, NAS/AN Bolts, Inserts, Nuts, Washers, Shims, Pins, Clevis Pins, Cotter Pins, e-Clips, Aerospace Screws, Rivet Sleeves & Collars.

AEROSPACE & DEFENSE HARDWARE
Structural Bolts, Close Tolerance Bolts, Titanium & Stainless Steel Bolts, Camloc Fasteners, Screws, O-Rings, Clamps, Gaskets, Elbows, Latches, Bearings, Rod Ends, Bushings, Couplings, Slides, Compression & Extension Springs, Gearboxes and more.

ELECTRONICS
Microprocessors, Semiconductors, Connectors, Backshells, Terminals, Relays, Switches, Transformers, Hydraulic Actuators, Linear Actuators, Rotary Actuators, RF Modules, Power Supplies, Amplifiers, Sensors, Controllers, Splitters, EMI/RF Filters, Valves and more.

MIL-SPEC CONNECTORS
MIL-DTL-38999, MIL-DTL-26482, MIL-DTL-5015, RF Connectors, Micro-D Connectors, ARINC Connectors, Rectangular Connectors, Fiber Optic Connectors, Circular Connectors and more.

AEROSPACE & AVIONIC COMPONENTS
GPS Modules, Displays, Navigation Units, Flight Computers, Receivers-Transmitters, Avionic Busbox, Directional Coupler, Antennas, Encryptor Equipment, Ruggedized Monitors and more.

AEROSPACE ADHESIVES, SEALANTS & CHEMICALS
Structural Adhesives, Primers, Sealants, Paints, Coatings, Compounds, Thread Lockers and Epoxies.

KITTING
Complete BOM sourcing, kitting, sub-assemblies, custom labeling & barcoding, source inspections, manufacturer traceability, and on-time delivery.

REAL PARTS.
REAL SOLUTIONS.
