Mr. Frank Bagnasco
NASCO Aerospace and Electronics
3232 44th Ave N
St. Petersburg, FL 33714

Dear Mr. Bagnasco:

Re: Qualified Testing Suppliers List (QTSL) & Qualified Suppliers List of Distributors (QSLD), Requalification Notice, FSC 5961 and 5962, CAGE: 4Q4L9, VQ(VQC-23-037994), CN: 084975

This Center has received your documentation to re-qualify in the Qualified Suppliers List of Distributors (QSLD) and Qualified Testing Suppliers List (QTSL) programs. Based on our review, your facility is considered a qualified distributor eligible to supply FSC 5961 and 5962 product, military and commercial grade, as dictated under the Criteria and Provisions documents for the QSLD and QTSL programs. All devices are to be controlled, tested, and managed from your St. Petersburg, FL location (i.e., CAGE: 4Q4L9).

Paragraphs 4.7.1.p and 4.7.1.n of the QSLD and QTSL Criteria and Provisions Documents state a distributor can be removed if no QSLD/QTSL contracts have been awarded to a company within a one year period. A review of your contract history has shown that your company has not received any QSLD/QTSL contracts since 2016. NASCO must be active in the QSLD/QTSL programs within the next 12 months from this letter date. Failure to perform any procurement activities with DLA over the next 12 months will result in immediate removal from the QSLD and QTSL programs.

For the duration of the qualification period, the distributor is subject to periodic reviews by this Center or its representatives and agrees to meet the requirements set in the Criteria and Provisions document for the program. This qualification is valid till May 31, 2026 and can only be terminated by written notification from this Center. At the end of the three year period, your company must resubmit an application within 60 days to remain in the programs.

The acceptance of your company into these programs does not relieve the distributor of its contractual obligation to deliver product that complies with all specification requirements. If you have any questions, please call Mr. Puhalsky at 614-692-2458.

Sincerely,

ROBERT M. HEBER
Chief
Sourcing and Qualifications Division
